Dash.red Mission Statement

- To create a memorable and fun Dash marketing experience for new Dash users.
- To educate new Dash users on Dash best practices in a short, fun, self-serve video format.
- To connect new Dash users to other Dash services, such as Dash.org, Dash Electrum, Dash Help and Dash Colombia.

Why Vote Yes

- Dash.red produces more than 1,000 Dash transactions per day distributing small amounts of Dash to new Dash users.
- Dash.red onboards thousands of new dash users every year across Latin America, and introduces them to projects such as Dash Electrum, Dash Help and Dash Colombia.
- Dash.red is currently the most popular Dash website in the world, with a visit duration 3.4 times that of Dash.org.
- If nobody is talking about dash, everybody is forgetting about it. Dash.red is talking about Dash every day to thousands of engaged new Dash users.

What Dash Gets

- A popular website and social media engine that keeps Dash in the public eye, particularly in the developing world.
- Thousands of Dash transactions per day generated by real people.
- Incentives for new Dash community members to learn about Dash.
- Promotion for other DAO projects.

- Education for real people in the best practices for the use of Dash.
